AW, IS LITTLE
"LOOPSEY"
SCARED?

HEADWINDS, SEVERAL MILES OUT AT SEA, A U.S. AIRCRAFT CAR'S ARE STEADILY PLOW THROUGH THE HEAVING WAVES!

RADIOGRAM FROM THE MARINE BASE SR., ONE OF THE TRAINING PLANES IS DOWN ON AN ISLAND TEN MILES SOUTH OF US!

WARRUP! I SUPPOSE WE'LL HAVE TO PICK THEM UP!!

SONALING FOR A CHANGE OF COURSE. THE HUGE SHIP TURNS ABOUT AND, WITH FULL SPEED AHEAD, RACES FOR THE SPOT, RADIOED IN BY BANKS...

BACK ON THE ISLAND 'LOOKS' AND HAVE TO BAYT THE SHACK AND STEP INTO THE DRIPPING JANGLE ESTABLISHED TO UNCOVER THE ANTIPLANE OF THE BOMBS DISBURSED AS COCO - M. TS.

THIS PLACE MUST BE A SABOTEUR'S BASE!

PLEASE STOP WHERE YOU ARE AND RAISE YOUR ARMS!!

!!?

WE SAW YOUR PLANE CRASH, BUT WE COULDN'T GET TO YOU BEFORE BECAUSE OF THE STORM. UNFORTUNATELY YOU WOULD HAVE TO DISCOVER OUR LITTLE SECRET! NOW WE'LL HAVE TO KILL YOU!!

WE WILL DISPOSE OF YOUR PLANE AND WHEN RESCUE PARTIES COME, WE SHALL TELL THEM YOU CRASHED IN THE SEA AND SANK THIS WAY PLEASE!

PROCEEDED FORWARD BY THE NATIVES 'LOOKS' SUDDENLY STOPS SHORT AND GRABS THEIR RIFLE BARRELS WITH A TREMENDOUS HEAVE HE KNOCKS THEM BOTH OVER.

BEFORE THE LEADER CAN BRING A PISTOL INTO ACTION, BANKS DIVES AT HIM AND DUMPS HIM HEAVILY TO THE GROUND...

MEANWHILE, A MARINE PLANE IS SENT OFF THE CARRIER TO ACT AS ADVANCE SCOUT... GRACEFULLY IT TAXIS DOWN THE BRIDGE DECK, LIFTS LIGHTLY AND ZOOMS INTO THE AIR...

THERE THEY ARE, BANKS!! I TOLD YOU THEY'D COME!!

AYE!

AYE!

TWO HOURS LATER LOOPS AND BANKS ARE CALLED BEFORE THE CAPTAIN TO TELL THEIR STORY...

YES SIR, THERE WERE TWO LARGE STACKS OF THESE BOMBS MADE LIKE COCONUTS!!

THE OUTER SHELL ACTS AS A PERCUSSION CUP AND A SUDDEN JAR WILL SET... LOOK OUT, GUH! CATCH IT!!

WERE YOU TRYING TO FLYING CAT-FISH!! ONLY MISTER?? THAT'S AN ORDINARY COCONUT!!

ONE OF THOSE STACKS WERE BOMBS... WE HELD UP THE AGENTS WITH PLAIN COCONUTS!! WE PICKED THE WRONG PILE!!

AVIATION FACTS:

YOU WOULDN'T THINK THAT DUCKS FLYING NORTH WOULD INFLUENCE OUR MILITARY TACTICS... BUT THEY DID! THE AERIAL "V FORMATION" WAS COMED FROM THEM...

THE "V FORMATION" IS USED SO THAT THE PLANES DON'T HAVE TO FLY IN CHURNED UP AIR. THE LEADER IS ALWAYS IN PLAIN VIEW, AND IN BATTLE A WOUNDED PLANE MAY DROP OUT WITHOUT INTERFERING WITH THE OTHERS... WE OWE THE DUCKS A LOT FOR THIS TRICK...

Miss

AMERICA

MISS AMERICA IN REALITY JOAN DALE, A REPORTER, IS A TYPICAL AMERICAN GIRL UP, ON WHOM THE SPIRIT OF THE STATUE OF LIBERTY HAS BESTOWED MAGICAL POWERS. THUS EQUIPPED, SHE SECRETLY AIDS THE AUTHORITIES IN THEIR ENDLESS BATTLE AGAINST THE FORCES OF EVIL. TODAY, WE FIND HER HURRYING DOWN A SIDE STREET IN SEARCH OF A HUMAN INTEREST STORY FOR HER PAPER....

INFURIATED, ONE OF THE THUGS BRANDISHES A BLACKJACK OVER THE LITTLE MAN'S HEAD.

THAT MAN NEEDS HELP!

WHY YOU LITTLE RUNT! I'LL ...

MISS AMERICA GESTURES, AND THE BLACKJACK FLIES FROM ITS OWNER'S HAND ...

HEY WOY'S WRONG WIT ME BLACK-JACK?!

LISTEN YOU GUYS ENOUGH'S ENOUGH!!

THE REMAINING HOODLUM GOES SCREAMING DOWN THE STREET, PURSUED BY THE TALKING BLACKJACK...

I DON'T QUITE UNDERSTAND ALL THIS, BUT I AM VERY GRATEFUL!!

WHO WERE THOSE MEN? WHAT DID THEY WANT FROM YOU?

I AM HUGO WOLSAK... I AM A CITIZEN OF THE UNITED STATES... THEY ARE AGENTS FROM MY OLD COUNTRY... THEY WANT ME AND MANY OTHERS TO SABOTAGE HERE... BUT I REFUSE I AM A LOYAL AMERICAN NOW!!

AND A BETTER ONE WHO WERE BORN HERE!!

... PERHAPS, BUT THOSE MEN WILL BE BACK... MAYBE TONIGHT... I DO NOT KNOW WHAT TO DO!!

HMMM! I HAVE A PLAN... COME ON!

THAT VERY NIGHT IN WOLSAK'S MODEST APARTMENT...

SO, WOLSAK! MAYBE SOON YOU LISTEN TO REASON, EH?

U.P!!

THE KIDNAPERS DRIVE TO AN ABANDONED AMUSEMENT PARK...

THE LEADER WILL BE PLEASED!!

THE FOREIGN AGENTS DRAG WOLSAK THROUGH A WAX MUSEUM...

SOON YOU WILL BE AS STILL AS THESE WAX FIGURES, WOLSAK... HEH! HEH!

IN A BACK ROOM THE LEADER WAITS...

HAH! AT LAST... HAVE COME TO TAKE OFF THE MASK... SO I MAY SEE HIS FRIGHTENED FACE!!

A WOMAN! IT'S MISS AMERICA!!!

TERRIFIED, THE FIFTH COLUMNISTS
DRAW THEIR GUNS...

SWIFTLY, MISS AMERICA
ENLARGES THEIR GUNS...

AT ANOTHER GESTURE FROM
MISS AMERICA, THE THUGS'
HATS SUDDENLY BECOME
TREMENDOUS...

MEANWHILE, UNKNOWN TO
MISS AMERICA, ANOTHER
AGENT HAS COME IN BEHIND
HER...

THE HOOGLIN DIVES AT THE
UNSUSPECTING GIRL, AND
SLAMS HER AGAINST THE
GORILLA'S CAGE...

IN A FLASH THE HAIRY
MONSTER WRAPS HIS
POWERFUL ARMS ABOUT
HER...

QUICK! GRAB ER
YOU GUYS!!

IN A FEW MOMENTS, MISS
AMERICA IS SECURELY
BOUND TO A CHAIR...

MEANWHILE, REALIZING WOLSKA'S DANGER, MISS AMERICA CONCENTRATES ALL HER POWERS ON THE ARMS OF THE CHAIR... TURNING THEM INTO HANDS...

THE RANK-STICKEN LEADER UNLOCKS THE GODILLA'S CAGE...

AS THE COWARDLY FOREIGN AGENTS ATTEMPT TO FLEE, THE FLOOR BECOMES A TREADMILL...

AT A COMMAND FROM THE GIRL MASKMAN, THE WAX FIGURES COME TO LIFE...

THE LEADER TRIES TO HIDE, BUT A WELL-THROWN BOOMERANG FINDS ITS MARK...

UGH! NOBODY LEFT FOR ME TO SHOOT!!

I HAVE A BETTER USE FOR YOUR ARROW... SHOOT IT THROUGH THE WINDOW!!

AS THE ARROW WHISTLES THROUGH THE WINDOW, MISS AMERICA LEAPS NIMBLY ABOARD...

AT HER COMMAND, THE ARROW BECOMES HUGE, AND STREAKS FORWARD INTO THE NIGHT...

... AND SAWS THROUGH WOLSAK'S WINDOW ...

INSTANTLY THE ARROW BECOMES A ROPE AND WHIPS AROUND, WOLSAK'S ASSAILANTS ...

YOU'RE A CREDIT TO AMERICA, MR. WOLSAK!

AND I AM PROUD TO BE A CITIZEN!!

THE ARROW TAKES FLIGHT ONCE MORE, DRAGGING THE ALIEN TERRORISTS IN ITS WAKE...

THE CRINGING BULLIES ARE DUMPED IN THE LOCAL POLICE STATION...

These men are Fifth Columnists! I'm sure they're ready to help you uncover the rest of the gang! Miss America

IN THE WIND-SWEPT WASTES OF THE SOUTH ATLANTIC, A SHIVERING FIGURE CLINGS TO A LOG... NEAR DEATH HE IS SAVED FROM A WATERY GRAVE BY A PASSING FISHING TRAWLER...

FOOD AND WATER AND A NIGHT'S SLEEP UNDER WARM BLANKETS DO WONDERS FOR THE EXHAUSTED MAN.

AND WHEN THE SECOND FISHERMAN RUSHES TOPSIDE TO HELP HIS FRIEND...

TOTALLY UNAWARE OF THIS TERRIBLE ACT OF TREACHERY JERRY NOBLE SON OF THE SENATOR STROLLS THROUGH A SEMIPRIVATE ZOO NEXT MORNING NOT FAR SOUTH OF WASHINGTON, D.C...

IT'S CRUEL TO KEEP THESE POOR ANIMALS BEHIND BARS... AND ABSOLUTELY UNNECESSARY!

JUST THEN A TERRIFIC ROARING AND RAGING COMES FROM THE CAGES AHEAD WHERE THE KEEPER IS FEEDING.....

GO IT, QUEEN! GO ON... GRAB HIS MEAT! KILL HIM!

HEY! WHAT GOES ON THERE?

STOP THEM! THEY'LL TEAR EACH OTHER TO PIECES!

YEAH... AND THEY'D TEAR ME APART IF I TRIED TO STOP 'EM!

WITH AN ANIMAL-LIKE SNARL THAT STARTLES THE KEEPER, JERRY NOBLE LEAPS THROUGH THE CAGE DOOR....

BACK INTO THAT CORNER! YOU CAN HAVE ALL THE MEAT TO YOURSELF!

THE LARGER PUMA OF THE COMMAND....

JERRY NOBLE LEAVES THE CAGE WITH THE SMALLER WOUNDED PUMA IN HIS ARMS AS THE ZOO'S OWNER HURRIES UP....

HOW DID QUEEN GET TORN UP LIKE THAT? IS SHE DEAD?

NO, SHE'S NOT DEAD... BUT SHE CAN'T THINK THIS KEEPER FOR IT!

HE DELIBERATELY THREW ONLY ONE PIECE OF MEAT INTO THEIR CAGE SO THE TWO ANIMALS WOULD FIGHT OVER IT!

YOU'RE FIRED!

PRRR, PRRR. TAKE IT EASY, QUEEN, OLD GIRL. YOU'LL BE ALL RIGHT... PRRR, PRRR, PRRR.

MEANWHILE IN WASHINGTON, THE RESCUED MURDERER IS ROBBING SENATOR NOBLE'S SAFE WHEN JERRY'S FATHER RETURNS TO HIS OFFICE...

THE INTRUDER IN THE SENATOR'S OFFICE RUSHES FOR THE DOOR...

BUT INSTEAD OF GOING WHERE HE'S ORDERED, SENATOR NOBLE'S CHAUFFEUR WHEELS SHARPLY AND HEADS OFF OF

AT A PRIVATE AIR-FIELD SOME MILES NORTH...

HANDCUFFED SENATOR NOBLE IS STRAPPED IN THE FRONT COCKPIT OF A SPEEDY PLANE!.....

VON WEISSMANN AND ERICH DISCUSS THE SENATOR'S FATE...

OF COURSE, ERICH, I COULDN'T KILL HIM. NOR COULD I LET HIM GO FREE... BUT SUPPOSE BY THE TIME WE LET HIM GO, THAT HE WAS A RAVING LUNATIC?

WE USE RAFNER FOR THAT! IT IS GOOD, KURT! YOU ARE A GENIUS!

DEEP IN THE BOWELS OF THE FORBIDDING ISLAND, SENATOR NOBLE IS STRAPPED SECURELY TO A STOUT POLE, WITH RAFNER RASING AT HIM INCHES AWAY.....

WILD BILL DUNN AN AMERICAN ENGINEER SERVING WITH THE BRITISH ARMY AND HIS AUSTRALIAN BUDDY, BOOMERANG JONES HAVE BEEN REPORTED DEAD IN A BATTLE WHICH WIPED OUT THEIR OUTFITS...WHILE LIVING WITH THE ETHIOPIAN PATRIOTS THEY BUILT THE *BLUE TRACER* OUT OF CAPTURED FASCIST EQUIPMENT AND MADE IT THE FASTEST AND MOST FORMIDABLE FIGHTING MACHINE YET INVENTED.

A BRITISH RECONNAISSANCE PLANE, DAMAGED IN A RAID OVER SOMALILAND IS FINALLY FORCED DOWN ON THE DESERT.

GRABBING THEIR CAMERA AND SUB-MACHINE GUNS THE TWO AVIATORS DASH TO A NEARBY FLAT-TOP ROCK.

ALL OUR GAS HAS
LEAKED OUT!

THEY'LL HAVE US
SURROUNDED IN A
FEW HOURS!

WE'LL HOLD OUT HERE TILL
HELP COMES. WE MUST GET THESE
PHOTOGRAPHS THROUGH TO
HEADQUARTERS!

YEAH - THEY

FASCISTS HAVE
THEIR ANTI-TANK
GUNS PLACED!

FASCIST
PLANES - THEY'VE
GOT US
SPOTTED!

IN A FEW MINUTES AN ENEMY MOTOR
PATROL, GUIDED BY THE SPOTTER PLANE,
ADVANCES TOWARD THE LONELY ROCK.

THEY'LL NEVER GET
AWAY WITH THOSE
PHOTOGRAPHS!

UNDER ORDERS TO CAPTURE THE TWO
SHARPSHOOTING PILOTS ALIVE FOR
QUESTIONING, THE FASCISTS STORM
THE ROCK ONLY TO BE DRIVEN BACK!

OUR AMMUNITION IS ALMOST GONE AND THERE'S NO SIGN OF ANY HELP!

OUR ONLY CHANCE IS TO BURN SOME SMOKE SIGNALS!

HERE GOES! IN A FEW MINUTES WE'LL KNOW IF ANYONE SEES IT!

SETTING FIRE TO THEIR PARACHUTES AND UNIFORMS THE TWO DESPERATE SOLDIERS SEND UP THREE "SMOKES", THE OLDEST HELP SIGNAL KNOWN TO MAN!

THE FOOLS - NOBODY WILL SEE THOSE SIGNALS! IT'S TOO FAR TO THE NEAREST ENGLISH OUTPOST!

BUT A FEW HUNDRED MILES AWAY IN A HIDDEN HANGAR, BILL DUNN AND BOOMERANG ARE BUSY OILING UP THE BLUE TRACER

PHEW! THIS IS THE KIND OF WEATHER THAT MAKES MIRAGES!

LOOK!

UP IN THE SKY THE SMOKE SIGNALS ARE CLEARLY VISIBLE!

IT'S A MIRAGE!

SURE! SOMEBODY'S SIGNALING FOR HELP HUNDREDS OF MILES AWAY. THE WHOLE SCENE IS REFLECTED BY THE SUN'S RAYS AGAINST THE SKY! COME ON - LET'S GO!

AFTER QUICKLY CLOSING THE UNDERGROUND HANGAR, BILL DRIVES THE GREAT MACHINE FORWARD.

SPREADING ITS TELESCOPIC WINGS AND RETRACTING ITS WHEELS THE BLUE TRACER TAKES OFF!

UP AND UP - HIGHER THAN ANY MAN HAS BEEN BEFORE, THE FLYING BULLET SOARS UNTIL THE CURVATURE OF THE EARTH CAN BE SEEN!

LOOKING THROUGH A TELESCOPE THAT CAN PIERCE THE BLUE HAZE BOOMERANG SPIES THE SIGNALS.

THE SMOKE ARE ABOUT 450 MILES NORTHWEST FROM HERE!

WELL, WE'RE OFF! CHECK UP ON THE AMMUNITION!

LOOK! THE BLUE TRACER! THEY'VE SEEN OUR SIGNAL!

HURRAY! WE'RE SAVED!!

AS THEY EXPOSE THEMSELVES IN A MOMENT OF ELATION, THE TWO ENGLISHMEN ARE CAUGHT FULL IN THE CROSS HAIR SIGHT OF AN ITALIAN MACHINE GUN...

THE TWO AVIATORS CRUMPLE OVER AS A BURST OF BULLETS SWEEPS THE ROCK TOP!

IMMEDIATELY BILL FOLOS UP THE WINGS OF HIS MACHINE, AND AIMING THE NOSE OF HIS SHIP DIVES LIKE A SCREAMING SHELL AT THE FASCISTS!

THE BLUE TRACER-SCATTER!

A HAIL OF DEATH-DEALING EXPLOSIVES FROM THE NOSE OF THE DIVING TRACER DESTROYS THE PATROL CAR!

AND QUICKLY SPREADING ITS WINGS THE BLUE TRACER PULLS OUT OF THE DIVE AND LANDS GENTLY BY THE ROCK!

I'LL TAKE CARE OF THOSE TWO ON THE ROCK - YOU CATCH THAT GENERAL - HE'S RUNNING AWAY!

AYE AYE SIR!

BRANDISHING HIS BOOMERANG THE DOUGHTY AUSTRALIAN HOTLY PURSUES THE FLEEING OFFICER!

SHOOT AT ME, WILL YA?

GOT HIM!

ONE MORE CAPTIVE GENERAL FOR THE ENGLISH! I'LL LOCK HIM UP IN THE BLUE TRACER!

BACK ON THE ROCK!

THESE TWO GENTS ARE PRETTY WELL SHOT UP BUT THEY'LL PULL THROUGH!

DON'T WORRY ABOUT US! JUST GET THESE PHOTOGRAPHS BACK TO HEAD-QUARTERS!

AS THE WOUNDED MEN ARE PLACED IN THE BLUE TRACER, A SHELL BURSTS NEARBY!

GET IN QUICK - WE'RE ABOUT TO BE ATTACKED - AND HOW!

NOT A MOMENT TOO SOON THE BLUE TRACER SPEEDS OUT OF DANGER AS ANOTHER SHELL EXPLODES DANGEROUSLY CLOSE!

THOSE TWO SHOTS WERE FROM THAT ADVANCING GIANT TANK - HANG ON! WE'RE GOING TO RAM HIM!

WHEELING AND CHARGING THE METAL TITANS MANEUVER FOR A VITAL OPENING.

SUDDENLY THE BLUE TRACER MAKES AN INCREDIBLY QUICK TURN AND CATCHES ITS SLOWER ANTAGONIST AT A DISADVANTAGE!

AND WITH A FINAL BURST OF SPEED BILL SENDS HIS BULLET-LIKE MACHINE INTO THE TANK!

YOU SURE POLISHED OFF THAT TANK!

MAN THE MACHINE - GUN, BOOMERANG - WE'RE GOING UP!

AS THEY CLIMB INTO THE PLANE FILLED SKY THE RED-HEADED AUSTRALIAN TAKES OVER THE MACHINE GUN.

OH, BOY! THIS IS WHERE I COME IN!

SPITTING LEAD AT THE BLUE TRACER, THE ENEMY PLANES DIVE TO THE ATTACK!

A TRAIL OF SMOKE FROM THE NEAREST PLANE IS PROOF OF BOOMERANG'S ACCURATE AIM!

SOON THE SKY IS FULL OF ZOOMING MACHINES AS A FIERCE DOG FIGHT TAKES PLACE!

ANOTHER AIRPLANE CRASHES TO A FIERY DOOM!

DECIDING THE BLUE TRACER IS TOO TOUGH AN ADVERSARY, THE FASCIST FLYERS WITHDRAW TO SAFETY!

I'D LIKE TO GET A FEW MORE OF THEM BUT WE BETTER GET THOSE WOUNDED MEN BACK TO THEIR BASE

IN A FEW MINUTES BILLARDS AT THE ENGLISH OUTPOST

SIR, HERE ARE THE PHOTOGRAPHS OF THE ENEMY GUN EMPLACEMENTS—AND THANKS TO THE BLUE TRACER WE HAVE AN IMPORTANT PRISONER!

MY WORD! GENERAL D'NATZI!

HARRUMPH! CAPTAIN DUNN AND PRIVATE JONES YOU ARE A W.O.I. AND SUBJECT TO COURT MARTIAL. BUT SINCE YOU ARE OFFICIALLY REPORTED DEAD WE'LL LET IT PASS!

BUT OFF THE RECORD, BOYS YOU'RE DOING GREAT WORK AND THAT BLUE TRACER OF YOURS IS A MARVELOUS MACHINE! GOOD LUCK ON YOUR NEXT ADVENTURE!

THANK YOU, SIR!

MILITARY COMICS

Award for Youth Bravery

EACH MONTH MILITARY COMICS WILL TELL THE STORY OF A BOY OR GIRL WHOSE BRAVERY IN ACTION HAS BEEN OUTSTANDING AND DESERVING OF SPECIAL MENTION.

THIS MONTH WE TELL THE STORY OF ENGLAND'S LATEST BOY HERO IN THE BATTLE OF BRITAIN..... FIFTEEN-YEAR-OLD JOHN THOMAS CAIN, IS THE YOUNGEST WEARER OF THE COVETED GEORGE MEDAL, AND NOW MILITARY COMICS TAKES GREAT PLEASURE IN PRESENTING THIS NEW AWARD.

By **TEX BLAISDELL**

Well known to the police of London's East End is fifteen year old John Thomas Cain. Often enough they have reprimanded him for trifling offenses, such as blocking traffic with his vegetable cart, leaving spoiled vegetables in the streets, breaking windows and other typically boyish pranks. Last week, however, the Metropolitan Police would have looked the other way if he had overturned his whole cart in Piccadilly Circus, for John Thomas Cain was sporting one of the highest awards for gallantry that his country can give a civilian, The George Medal. He is, so far, the youngest Briton to wear it.

Early last week, on a bright, sunshiny morning, Johnny was as usual, pushing his vegetable cart down one of the bomb-shattered streets in war torn London. Young John Thomas is the man of the house these days, for his dad is fighting with the R. A. F.

and doesn't get home very often. Mrs. Cain has her hands full keeping their little vegetable shop going and John does his part by going from door to door, rrying his wares. He is very proud of his little cart, for strapped underneath is the fire fighting equipment issued to Britain's Civilian Volunteer Fire Fighting Corps, and Johnny is the youngest member in the neighborhood.

All that night, the vicious Nazi raiders, had droned overhead, dropping their deadly cargoes, and another night had been spent in the air-raid shelters. As yet the "all clear" had not been sounded, but daybreak found John Thomas Cain up and abroad, cheerfully pushing his wagon down the battered streets. As he turned into the square, his sharp eyes spied an unexploded incendiary bomb lying in a neat by downway. Quick as a flash he untrapped his equipment from under the cart, and without a thought for his personal safety, he proceeded to

extinguish the smoking missile.

A few moments later, having made his report to the local warden, he was once more gayly threading his way down the debris littered avenues. Such trivial occurrences had become mere routine to John, for he already had twelve single handed rescues, and forty-four assists to his credit. Little did he know, however, that on this beautiful morning he was to eclipse all his previous deeds of heroism, and become Britain's youngest hero.

As he reached Mrs. Dunn's home, he selected her usual order from the stock, and ascended the stairs. Hardly had the young hero reached the top, when a tremendous explosion hit him bodily through the screen door, scattering broken glass and pieces of wood and metal all about him. Johnny picked himself up, and dashed into the street, and there, not half a block away, a mass of smoke and flame, towered the remains of a paint factory—in

which were trapped, the members of the night shift!

Without a second thought young John streaked toward the flaming wreckage, joining four policemen who had also heard the explosion. Together, the five rescuers worked frantically to hatter their way into the demolished building and bring out the victims. At last a small opening was cleared away, and before anyone could restrain him, John Thomas Cain, squirmed through and splashed chest deep in a swirling torrent of paint. Death stalked close beside him as John slipped and slithered his way across the flooded basement. Overhead flashed a new and more dangerous hazard, for the high voltage wires had been broken, and their powerful current was arcing brilliantly in the inky darkness—threatening at any second to ignite the inflammable paint. At the far end of the basement, a small flight of stairs led upward into the adjoining room—where stretched unconscious on the floor were the helpless members of the night shift.

With all his strength young John dragged one victim to the doorway, and depositing him upon a floating floor, retraced his perilous steps to the tiny opening in the wall. Although the Bobbies had redoubled their efforts, the hole was still too small to admit a full grown man, and after boosting the unconscious worker to a ledge, Johnny was forced to remain alone, to the little room across the cellar.

The crowded cellar was rapidly filling with paint, and the gallant boy had to half swim back to the

stairs—his brave young head now but inches below the terrible high voltage wire which reached out their hungry fingers to seize him! Instant electrocution faced the youngster, should he but graze one of the flaming ends. With the noxious paint fumes tearing at his lungs, he feverishly transported one victim after another across the perilous pool to the temporary safety of the ledge beneath the ever widening breach.

Outside the police strained valiantly at their task, but the ancient masonry held tenaciously, and progress was slow—far too slow! While deep within the fast crumbling building, the poisonous

and ten victims were transported to safety on the ledge.

At last, gasping for breath, his lungs seared, his brain numb, the courageous youth crawled out onto the ledge—exhausted! He could have easily climbed back through the opening to safety, but Britain's youngest hero would not desert the stricken men beside him. Suddenly sunlight burst into the blackness of the cellar and strong hands lifted Johnny to the street above. Swiftly the business-like Bobbies hauled the ten workers to safety and as the last man was carried clear, the tortured structure groaned and came crashing down—filling the basement

fumes and great exertion were taking their toll. Slowly and painfully John forced his aching body back across the slimy ooze that threatened to engulf him and as the doomed factory tottered and creaked, steel girders and chunks of stone crashed down about his head. Ten trips the valiant Briton made through the sticky morass,

with tons of wreckage.

Several days later, young John Thomas Cain called at Mrs. Donn's as usual—but this time, there shone from his proudly expanded chest, the most prized possession of all his fifteen years, the George Medal for distinguished bravery. We think he earned it, don't you?

BRITISH MYSTERY SQUAD LANDS ON INVASION COAST IN SECRET MISSION

The 'International Situation'

Over-transatlantic press cables came the exciting story of mysterious British raiders who had dared the fates by entering

heavily armed, strongly guarded Nazi occupied France and return unscathed. The truth behind this raid remained a secret until our special correspondent H A Perkins formerly

ly of the London Daily Mirror, dug up the inside story. Now, for the first time, the readers of this magazine are given Mr. Perkins' exclusive tale of the men who **RIDE INTO THE LAWS OF NAZI DEATH! ...AND BACK!**

3 June 20, 1940: It is dawn...an early fog steals over the English channel, blanketing the Nazi invasion coast from Dunkerque to Calais... Tense watchers on the English cliffs relax slightly for the fog means that the long expected Nazi invasion is halted once again for 24 hours... On the French Coast a Nazi sentry flips his cigarette into the swirling mist as he peers intently at a shapeless object approaching the shore...
